Regarding the Regulations, Hadleigh Castings Ltd is a "Producer of Articles" and as such bears the obligations of article producers. Hadleigh Castings has no responsibility for product design or material selection and only produces castings to Customer specification. As such Customers must ensure that the material specified for production meets the REACH Regulations. Hadleigh Castings cannot be held responsible in any way for any breach of these requirements for castings produced to a supplied customer drawing and or specification.

As a supplier of castings **none** of the product supplied contains any substance that is intended for release under normal or foreseeable conditions and as such no notification is required to "the Agency" of substances contained therein.

Should any substance in "the Article" supplied by Hadleigh Castings Ltd:

- be listed on the UK REACH Candidate List of substances of **Substances of Very High Concern (SVHCs)**.
- be listed on the UK REACH Authorisation List (Annex 14).
- be present in the article in a concentration above 0.1% by weight.

This information will be communicated to the Customer.

At the current time Hadleigh Castings does not use any substance in the production process that is:

- listed on the UK REACH Candidate List of substances of **Substances of Very High Concern (SVHCs)**.
- listed on the UK REACH Authorisation List (Annex 14).
- present in the article in a concentration above 0.1% by weight.

If this changes this information will be communicated to the Customer.

In Order to continue with our business activities and prevent any disruption to supply of material, substances etc. our suppliers have been made aware of the regulations and notified of their pre-registration requirements.

The REACH representative at Hadleigh Castings Ltd and central contact point is

Mrs Clare Lock – Business Services Director

¹ (Under the European Union (Withdrawal) Act 2018, the EU REACH Regulation was brought into UK law on 1 January 2021 and is known as the UK REACH (Amendment) Regulations 2023.
